## Brady Bunch

Here's the story  
of our great-grand Bubby and Zeide  
Who were enslaved for about 210 years.  
All of them were stuck in Egypt, with their  
Jewish brothers,  
it was hard work and bitter tears.

Here's their story,  
Lets call it a “Seder”  
Which we tell about how they finally broke  
free!  
God sent Moshe to deal with Pharaoh,  
and also to split the red sea.  
Till that one day when God himself came to  
our rescue  
And they knew it was much more than a  
hunch,  
That this group of slaves would somehow  
form a nation.  
That's the way we all became the Jewish  
Bunch.  
The Jewish Bunch,  
That's the way we all became the Jewish  
Bunch.  
The Jewish Bunch.

## Sweet Caroline

Where it began, Joseph sold to Egypt  
But then I know things went so wrong  
A brand new King  
This king became the bummer  
Who'd have believed slavery was wrong?

Jewish Clans, touching Clans  
Reaching out, rushing free, becoming Jews

4 cups of Wine (dah dah dah)  
Good times never seemed so good  
Let's all recline  
To believe they never would..but now I

Look at seder night and it don't seem so lonely  
Were with family, dayaynu  
And when marror hurts  
Hurting runs off my shoulders  
How can I hurt when I'm with all of you?

## I want to Hold your Hand

Before we, eat that something  
whether its machine or hand  
Before I, eat that matza'

I want to wash your hands  
I want to wash your hands  
I want to wash your hands

Oh please say to me  
Find the afikomen  
And please say to me  
You'll let me wash your hands  
Now, let me wash your hands  
I want to wash your hands

And when I eat charoset  
I feel happy inside  
It's such a feelin' that the afikomen

I can't hide  
I can't hide  
I can't hide

## Gilligan's Island

Just sit right back and you'll hear a tale,  
A tale of a fateful trip,  
That started when we were slaves,  
on our exodus from Egypt

Moses was a mighty holy man,  
Aaron brave and sure.  
The Jewish Nation escaped that night,  
For a three day tour, a three day tour.

The Egyptians started getting rough

The Red Sea had no bridge to cross  
If not for the courage of the fearless Jew,  
Our nation would be lost, our nation would be lost.

God split the sea and we came to shore to start  
a new lifestyle  
With Miriam, and Aaron too,  
Under G-d's care we did survive  
Moses's lead,  
The Torah and our Israel land  
Here on Passover Night!!!!!!!!!!!!!!!

## 7 Years

Once I was 70 years old my bubbe told me,  
Go learn yourself some torah or you'll be lowly  
Once I was 70 years old

It was a big, big world, slaves to the Egyptians  
Pushing us around, with no bread in our  
kitchens  
By 210, it was only freedom that we were  
itchen  
Never rich so we were out to simply leave this  
sitch and

Once I was 18 years old my rebbe told me,  
Remember the exodus that's praiseworthy  
Once I was 18 years old

I always had that dream like my daddy before  
me  
So I started passover, I started telling Egyptian  
stories  
Something about escape just always seemed  
to bchol dor v'dor me  
'Cause only those that ache will ever truly eat  
marror w/ me

Once I was 70 years old, old my story got told  
Before the dayanu when 4 questions were so  
holy  
Once I was 70 years old

I only lean to the right, sitting straight is a failure  
'Cause the smallest questions can make our  
story major  
I got my hagadah with me at my family seder  
And if we don't eat before Elijah leaves I hope  
that I'll see you later

Once I was 18 years old my story got told  
I was asking 'bout everything I saw before me  
Once I was 70 years old

# BREAD OF AFFLICTION

## HAGADAH QUESTION:

“Whoever is hungry” and “Whoever is needy” – what is the difference?

*The 3 basic needs . Food. Shelter. Clothing. Slaves can subsist on this but true free men are needy for more: Meaning, Purpose , Control of Time, Goals. The seder invites you to address both those human essential needs. Additionally, First rule of not being impoverished is SHARING! Hence the invite*

## Experiential Learning: What's on the Menu.

But on this night "ONLY MATZAH" – SEDER SECRET LESSON: Nothing says poverty, slavery and misery like a mandatory meal plan! If you HAVE to eat something, you're suddenly robbed of your freedom to choose. This is what it was like to be a slave/ prisoner

People Who Enjoy the Taste of Matzah

# 4 QUESTIONS

### Top Ten Most Popular Jewish Questions

10. Are you sure you had enough to eat?
9. How long ago did we eat meat?
8. Why aren't you married yet?
7. Did you hear the news about (any name)? Nebech
6. But is it a hot Kiddush?
5. Can we get a scholarship?
4. You paid how much?!
3. Did you take a jacket?
2. Mincha?
1. Oh, you're from (fill in any city in the world). Do you know (fill in any random Jewish name)?

## 99 PROBLEMS BUT MARROR AIN'T ONE

The idea of Marror is to taste bitterness of being a slave, but to be honest, most people love the taste and burn of Horseraddsh.? We eat it all the Time! Now What?

Recognition memory is the ability to assert the familiarity of things previously encountered. In the case of food, many people have powerful memories of particular flavors/smells from childhood, If Marror doesn't do it for you: Think about what things remind you of a miserable time...smell of a copier room?

## TORAH TRIVIA

There are 3 places in the Talmud that says “the more you discuss, the more you are praiseworthy” – Can you name them?

1. Leaving Egypt at the Seder
2. Eulogy for a Parent
3. Defense from Someone Capital Crime

*What is the linkage between these 3 ??*

1. They give words to someone who can no longer speak for themselves
2. They all bring things back from the dead to LIFE!!!!

# WE WERE SLAVES

## 4 SONS

Stranger Sons & 11

Mishpachat Hanks

### WISE SON:

#### Q. Why Isn't it Good v. Wicked?

There are plenty of Good people who are exactly the sharpest tools in the shed. They can be easily swayed from one opinion to another without the right intellectual backbone.

**Q. Devil in the Details: The wise son asks about minutae of details of the seder. But our response seems not related?**

Our response answers the bigger problem with smart kids, they have no hands on experience. It's all book smarts. Which limits their full comprehension of a subject. Our response to them: Judaism is only concerned about Action, get out there and apply

### WICKED SON:

**Q. The Wicked kid asks a basic question, but then the hagadah calls him “Denier of fundamentals of Judaism”? Bit Drastic, right?**

The Hagadah is telling us a core principle about faith and community . Removing yourself from the concerns of the greater good of your community is someone who denies the whole point of Judaism. Derech Eretz kadma LaTorah. More than wise, we must be kind, caring and thoughtful of all those in our community.

## **Question You've Obviously Not concerned about...**

Are "Idol Worshipers" Ancestors all that bad? I mean they were still people of faith, right;? Sounds like this could be much worse, why do we make this an essential story point?

The problem with Idol worshippers is that they limit the view that God is everywhere within everyone. David Hartman writes about standing against adverstity: Abraham's childhood was one where the whole world was on one side and Abraham was on the other, alone. Our children must learn the pain of loneliness that the convert or anyone of faith has to bear. But more importantly about standing against the majority for what is right.

# GO & LEARN

## Go?? What not “Come & Learn”?

The phrase is here to emphasize how critical this seder is intended to be an Experiential Learning, not table discussion – but something you are intended to bring out to your daily world after the seder

# LAVAN THE ARAMEAN

## TORAH TRIVIA

Jacob has 2 dreams recorded in the torah – can you remember them?

1. Ladders to heaven – connecting heaven and earth
2. Dreams of sheep – Anxieties about his assets and \$\$

*One dream occurs before Jacob meets Lavan. One dream occurs after.*

*The point here is that Lavan ‘s impact on our forefather was beyond physical harm but his impact changed the dreams and goals of our man to go from spirituality to materiality. So many of us stumble in this regards with our daily work and finances . PRIORITIZE PEOPLE*

# DAYAYNU, THE ANTI COMPLAINER

## Brought us to Mt. Sinai and not given us the Torah ? Huh?

Here's the thing: Have you ever been to Bonaroo? Imagine over 600,000 camped out at a mountain. The torah says about it "V'Yichan Sham Yisroel", which means "and he camped there." He? Rashi explains that the Jewish people are referred to in the singular because they were as one person with one heart. To have that moment that every living Jewish person is one nation, even without law, for the unity that created alone- one can say Dayaynu- thank you

# NUMEROUS

## STARS in the SKY

Why Stars? Stars emit light, they burn out and will never truly fill the entire sky with light. But they shine regardless... Shining bright in the face of darkness is the key here.

"He's all right. I just wish he were a little more pro-Israel."

"Is there a section at the bottom for comments?"

COLLECTION

MOSES AWANTS THE WORD OF GOD

"I miss that sense of fulfillment that I had when I was part of a plague."

"Hold on—I think you got my toast."

# THE TEN PLAGUES

Why was the death of the firstborn the last plague? The Torah despises the idea of a firstborn being the assumed leader (see every bible story in Genesis). However, one essential trait that firstborns carry is that they are often the culture-carriers to the rest of the children. With the death of the firstborn the Egyptian culture lost its carriers to the next generation

## “Shake It Off” by Taylor Swift

I stay up too late.....Got 4 cups on my brain  
That's what people say, nuu-nuuu  
That's what people say, nuu-nuuu  
I go on too many rants.....But I can't make any sense  
At least that's what people say, nuu nuuu  
That's what people say, nuu nuuu

But I keep leaning  
Can't stop, won't stop eating  
It's like I got this freedom  
In my mind, Singing, “Dayenu all night.”  
**'Cause the seder's on a plate, plate, plate, plate, plate**  
**Mitzrim gonna hate, hate, hate, hate, hate**  
**Marror, just gonna shake, shake, shake, shake, shake**  
**- I shake it off, Shake Marror off**  
**Afikomen gonna break, break, break, break, break**  
**And the matzahs gonna bake, bake, bake, bake, bake**  
**Marror just gonna shake, shake, shake, shake, shake**  
**I shake marror off, I shake it off**

I never miss a step.....Leaving Egypt was a Shlep  
And that's what they don't see, mmm-mmm  
That's what they don't see, mmm-mmm  
I'm kiddushing on my own (kiddushing on my own)  
I make the rules up as I go (rules up as I go)  
And that's what they don't know, oy vey  
That's what they don't know, oy vey  
But I keep Leaning.....Can't stop, won't stop dipping  
It's like I got this freedom In my mind, Singing, “Dayenu, all night.”

'Cause the seder's on a plate, plate, plate, plate, plate  
Mitzrim gonna hate, hate, hate, hate, hate  
Marror, just gonna shake, shake, shake, shake, shake  
I shake it off, I shake Marror off (Oy, Oy)  
Afikomen gonna break, break, break, break, break  
And the matzahs gonna bake, bake, bake, bake, bake  
Marror just gonna shake, shake, shake, shake, shake  
I shake marror off, I shake Marror off  
Shake Marror off, I shake it off, (marror)  
I, I, I shake it off, I shake it off,(marror) x3  
Hey, hey, hey

Just think while you've been leaning down and out about the Pharaoh and the dirty, dirty plagues of the world, You could've been getting down to this sick vort.

My afikoman lost by my new girlfriend She's like “Oh, my god!” but I'm just gonna break.

And to the fella over there with the Elijah good hair, Won't you lean on over, baby? We can shake, shake, shake  
Yeah ohhh 'Cause the seder's on a plate, plate, plate, plate, plate.....

## “All of Me” by John Legend

What would I do without charoset in my mouth?  
Leaning in, and dipping out  
Marror got my head spinning, no kidding, I need to lay down  
What's Hillel's magical mystery ride?  
And I'm so dizzy, don't know what hit me, but I'll be alright  
My tongue's underwater  
But I'm breathing fire  
You're drunk and I'm out of my mind

'Cause all of me  
Loves Da-yeh-nu  
Love your Hillel and all your sandwich  
All your perfect manishtanahs  
Give your matzah to me  
I'll give my matzah to you  
You're my end and my beginning  
Even when I lose Afikomen I'm winning  
Cause I give all marror to me  
And you give all charoset to u, oh  
How many questions do I have to ask you  
Even when you're crying you're a free Jew  
Egypt is beating you down, I'm around through every food  
Carbs are my downfall, matzah my muse  
My worst distraction, my rhythm and blues  
I can't stop leaning, it's crunching in my mouth for you  
My tongue's underwater  
But I'm breathing fire  
You're crazy and I'm out of my mind

'Cause all of me  
Loves Da-yeh-nu  
Love your Hillel and all your sandwich  
All your perfect manishtanahs  
Give your matzah to me  
I'll give my matzah to you  
You're my end and my beginning  
Even when I lose Afikomen I'm winning  
Cause I give all Marror to me  
And you give all Charoset to you, oh  
Karpas on the table, we're both dipping stalks  
Telling it all though we're starved

## “Do you Wanna Build a Snowman”

Do you wanna steal the afikoman?  
Come on lets go and play  
You never steal it anymore, just set it on the floor, it's like you've gone down  
We used to be Seder buddies and now were not I wish you would tell me why  
(This night is different from all others)  
Do you wanna steal the afikoman?  
It doesn't have to be an afikoman  
Elsa: Go away daddy  
Anna: Okay bye...  
Do you wanna find an afikoman?  
Or ride your bike around the halls?  
I think frog songs are overdue  
I've started talking to the grownups about matzo balls  
\*spoken\*  
Hang in there Dad  
It's gets a little lonely, all these empty Seder seats  
Just watching the kids say bye \*tick tick tick tick\*  
\*spoken\*  
Elsa?  
Please, I know the matzah's in there  
People are asking where has it been?  
They say have more matzah and I'm trying to  
I'm leaning left for you, just let me in  
We only have each other, it's just you and me singing: Who Know One?  
Do you wanna steal the afikomen?

## LET IT GO

The slaves plan to leave Egypt tonight, Not a footprint to be seen  
A kingdom to emancipation, And it looks like we are free.  
Wild Animals howling like this hail storm inside  
Couldn't keep us in, heaven knows Pharaoh tried  
Don't let them go, don't let them see  
Be the good slaves you always have to be  
Conceal, don't feel, don't let them go,  
Well, now they know  
Let them go, let them go  
Can't hold Jews back anymore  
Let them go, let them go  
Cast away and slam the door  
I don't care  
What they're going to say  
Let the Seder drag on,  
The matzah never bothered me anyway  
It's funny how some distance  
Makes everything seem small  
And the taskmasters that once controlled me  
Can't get to me at all  
It's time to see what we can do  
To drink 4 cups and say Dayenu  
Lean right, no wrong, no marror for me....I'm free

Let them go, let them go,  
I am one with the frogs and lice,  
Let them go, let them go  
You'll pour out wine to cry  
Kiddush I stand, on this Passover day,  
Let the Seder drag on...the matzah never bothered me anyway

## “STAY WITH ME” by Sam Smith

Guess it's true, I'm not good at the 4 questions  
But I still need to ask, cause am the youngest kid  
These Seder nights never seem to go to plan  
I just want you to leave, will u skip to the end?

Oh, won't you Seder with me?  
'Cause we're all going free  
This ain't shmura, it's clear to see  
But darling, lean with me

Why is this Seder so political?  
No, it's not a good look, get some self control  
And deep down I know I stained my shirt  
But you can lean with me so chrain doesn't hurt

Oh, won't you eat matzah with me?  
'Cause you got the afikomen yasee  
This ain't shmura, it's clear to see  
But darling, lean with me

Oh, won't you sing Chad Gad Ya with me?  
'Cause 2 zusim is all I need  
This ain't shmura, it's clear to see  
But darling, lean with me...

## “Chandelier” by Sia

Pesach girls don't get hurt  
Can't book last minute, when will I learn  
I'm flying down, flying down, redeye  
I'm the one "for Miami Seder call"  
Phone's blowin' up, Elijah's ringin' my doorbell  
I feel the sun, feel the sun,  
[Pre-Chorus]  
1,2,3 1,2,3 drink  
1,2,3 1,2,3 drink  
1,2,3 1,2,3 drink  
Throw 'em back, 'til I lose cup count  
[Chorus]  
I'm gonna steal from the afimomen, from the afikomen  
I'm gonna lean like tomorrow Seder doesn't exist  
Like it doesn't exist  
I'm gonna fly from 4 cups of wine, feel my saltwater tears  
as they dry  
I'm gonna steal from the afikomen, from the afikomen  
But I'm holding on for Chad Gad Ya, won't look down  
won't open my eyes  
Keep my glass full until morning light, 'cos I'm just  
drinking 4 cups tonight  
Help me, I'm holding on for Chad Gad Ya, won't look  
down won't open my eyes  
Keep my glass full until morning light, 'cos I'm just  
drinking 4 cups tonight  
4 for tonight  
Sun is up, Shema they miss  
Gotta get up now, gotta sleep on this  
Here comes the chrain, here comes the chrain  
[Pre-Chorus]  
1,2,3 1,2,3 drink  
1,2,3 1,2,3 drink  
1,2,3 1,2,3 drink  
[Chorus]  
I'm gonna steal from the afimomen, from the afikomen  
I'm gonna lean like tomorrow Seder doesn't exist  
Like it doesn't exist  
I'm gonna fly from 4 cups of wine, feel my saltwater tears  
as they dry  
I'm gonna steal from the afikomen, from the afikomen

## “Pompeii” by Bastille

DA-YEH-NU-OH-DAY-EH NU NU  
I was left to my 4th cup of wine...  
Many drops fell away with nothing to show...  
And the plagues kept tumbling down  
On the city full of frogs  
Great clouds roll over the Nile  
Bringing darkness from above  
But if you close your eyes....  
Does it almost feel like  
Nothing in the Seder changed at all?  
And if you close your eyes,  
Does it almost feel like  
you've been enslaved before?  
How Ima gonna read the haggadah new about this?  
How Ima gonna read the haggadah new about this?  
We were caught up and lost in all of Pharaoh's might  
In our haste as the dough didn't rise, we left to fight  
And the plagues kept tumbling down  
On the city, full of frogs  
Great clouds roll over the Nile  
Bringing darkness from above  
But if you close your eyes....  
Does it almost feel like  
Nothing in this Seder changed at all?  
And if you close your eyes,  
Does it almost feel like  
you've been enslaved before?  
How Ima gonna read the haggadah about this?  
How Ima gonna read the haggadah about this?  
DA-YEH-NU-OH-DAY-EH NU NU OH  
Oh where do we begin?  
From freedom or prison?  
Oh oh where do we begin?  
From freedom or prison?  
And the plagues kept tumbling down (oh where do we begin?)  
In the city that we love (the freedom or prison?)  
Great clouds roll over the hills (oh where do we begin?)  
Bringing darkness from above (the freedom or prison?)  
But if you close your eyes,  
Does it almost feel like  
hagadah explains it all?  
And if you close your eyes,  
Does it almost feel like  
You've been enslaved before?  
How am I gonna read the haggadah about this?  
How am I gonna read the haggadah about this?  
If you close your eyes, does it almost feel like the haggadah explains it all?  
DAYENU

## Take me to Church “Hozier”

My seder's got humor  
We giggle at Egypt's funeral  
Knows everybody's disapproval  
I should've spilled wine sooner  
If the children did ask to speak  
The 4 questions to mouthpiece  
Every step's getting more bleak  
A fresh whipping with an onion or leek  
"We were born slaves" you heard them say it  
My Seder offers no kitnoos  
Mom tells me "recline in the living room"  
The only matzah I'll be sent to  
Is when shmura is to hard to chew  
I was born enslaved  
But I escaped it  
Command me to be free...Aaay. Amen. Amen. A  
**Take me to search**  
**I'll sniff it like a dog by the shine of your candlelight**  
**I'll get the afikomen and you can surely have a bite**  
**Offer me that tasteless bread**  
**Good God, let me give you my wine**  
If I'm enslaved to the good times  
Mmy morning is Shema sunlight  
To keep the charoses on my side  
Karbon Pesach demands a sacrifice  
Split the whole sea  
Get to Mt Sinai maybe  
Something meaty for the main course  
That's a fine-looking Egyptian horse  
One little goat in the stable?  
We've a lot of starving faithful  
That looks tasty  
That looks plenty  
This seder's hungry work  
Take me to Search  
I'll sniff it like a dog by the shine of your candlelight  
I'll get the afikomen and you can surely have a bite  
Offer me that tasteless bread  
Good God, let me give you my wine  
No masters or kings...When the hagadah begins  
There is no sweeter innocence than our children  
In the madness and miracle of that holy earthly s  
Only then I am a Jew man, Only then I am free  
Ooh oh. Amen. Amen. Amen.  
Take me to Search  
I'll sniff it like a dog by the shine of your candlelight  
I'll get the afikomen and you can surely have a bite  
Offer me that tasteless bread Good God,  
let me give you my wine

# The Program

By: S.O. Brisket

In an expansion of a recent trend that shows no signs of abating, it has been estimated that there are currently over 170 Passover hotel programs servicing approximately 100,000 members of the worldwide Jewish community. These programs provide full-service care for families able to spend upwards of \$5,000 a person: physical and spiritual nourishment in locales ranging from upstate New York to the isle of Crete.

This past week, a prominent caterer announced that he was compelled to cancel one of said programs due to a conflict over accommodation fees. Hundreds of families have been forced to scramble for last minute arrangements. The following are the top ten options presented to them by the folks at Ashkenaz Tours :

10) *A Very Cartagena Passover*: Chol Hamoed medical tourism for the ladies; mehadrin blow for the men.

9) *Richard Branson's Private Island*: Chazzanim include MBD, Eli Schwebel, Lippa Shmeltzer, and one-half of The Chainsmokers.

8) *The 'El Presidente'*: Pesach with Ivanka. Each participant can claim that they were on a program with Ivanka and whatever her husband's name is. The organizers warrant that each day, you will spot Ivanka for at least one minute in one of her most sexy-yet-technically-tznius outfits.

7) *The Numbered Account*: Pesach in the Cayman Islands, presided over by our spiritual leader and his sixth wife. Chol Hamoed excursions include visits to the sham 'offices' of your shell companies.

6) *Title Fight- The Shmuelys*: Your favorite Rabbinic provocateurs fight to the death over twitter retweets. Really, one of them will die.

5) *The Real Kosher*: All the others are just playin'. We took over the hotel kitchen of the Hilton Royale in Kalaula Island, Hawaii. We started cleaning in February of last year. Cleaned and scrubbed the entire kitchen. Blowtorched everything. Burnt down the west wing of the hotel. Had to rebuild it. Deloused all the waiters and waitresses. Anal bleached. Hazmat suits worn by goyim at all times. If they even mention chametz, they are fired on the spot.

4) *The Modern Family*: Located in the edenic Phi Phi Islands of Thailand, activities are scheduled for everyone. At all times. Golf private lessons with a PGA Senior Tour member for Moishe. Shopping trips among the tribal artisans for Chanee. Basketball camp, led by Allen (The Answer) Iverson, for Yosseleh. Instagram and makeup tips for Chayaleh. You never have to spend a second with any family member. Money refunded if you have to converse with your wife, at any point, at all.

3) *The Artifice*: A program for the 1% of the 1% of the 1%. You pay \$35,000 per person. You actually stay home, we send you some Glatt Mart frozen meals and 5 lines about Rav Elazar Ben Azarya and his beard, BUT we tell the world that you spent \$35,000 a head on a program. Because that is the essence of Pesach, anyway.

2) *The Marei Mekomos*: Indulge your inner modern-orthodox yeshiva student as a cross-section of rabbanim from YU and Chovevei repurpose shiurim they have already given in school. Hundreds upon hundreds of source sheets will be handed out as each lesson begins. Each lecturer guarantees that he will never proceed according to the numerical order he has laid out on the page.

1) *The Sound of Music*: The Alpen-Gramillshlicker Hotel is a magnificent SPA resort in the Austrian Alps, the most breathtakingly beautiful in all of Europe. The proprietors, the Sachertorte siblings, care about the Jewish people. The kashrus standards will meet or exceed the criteria of the most stringent of families. No kitniyos, no gebruchts, and only costly hand-made matzos will be used. Under the strict hashgacha of Rav Y.A. Tittle of Vienna, you can rest easy knowing that each and every bite that enters your mouth is strictly and mehudarly kosher. We are so more frum than you. That's right, Hilton Royale in Kalaula Island, Hawaii: we mean you.

Also, one of the surviving Family Von Trapp may show up to sing Edelweiss. Not promising anything, but it may be that Liesel chick.
