Havana (Camila Cabella)

Hey, Haggadah, ooh na-na (ay)
Have read my part in the Haggadah, ooh-na-na (ay, ay)
He took me back to MaNishtana na-na-na
Oh, but I'm lost in My Hagaddah (ay)
There's somethin' 'bout this matzah (uh huh)
Hagaddah, ooh na-na (uh)

We didn't start up with "how tonight different?" (uh)
(When Elijah came in the room)
He said there's 4 sons we can start with (uh)
(But I didnt know whom)
Why cant the seder be a minute (hey)
(That Exodus night for Jews)
And papa says he got Freedom in him (uh)
He got me feelin' like

Ooh-ooh-ooh, I knew it when I reclined
I loved it when we finally dined
Got me feelin' like
Ooh-ooh-ooh, and then Moses had to tell him
To LET US GO, oh na-na-na-na-na

Haggadah, ooh na-na (ay)
Have read my part in the Haggadah, ooh-na-na (ay, ay)
He took me back to MaNishtana na-na-na
Oh, but I'm lost in My Hagaddah (ay)
Oh, my heart is in this matzah (uh huh)
Hagaddah, ooh na-na (uh)

Perfect (Ed Sheeran)

I found a shrub, for me
Parsley just dipped right in....And follow my lead
Well I found a green, beautiful and sweet
I never knew there was saltwater waiting for me

'Cause we were just kids when we sold our bro
Not knowing who he was
I will not give Yosef up this time
Karpas just dip me slow, your taste is all I own
And in your stomach you're hungry right?

Baby I'm, starving in in the dark, with celery in my arms
Barely ate karpas, listening to our seder songs
When you said the seder is a mess, I whispered underneath
my breath
But you heard it, Dayenu, this seder's perfect tonight

THUNDER (Imagine dragons)

Just an orphan with a quick fuse
In a basket, wanna let loose
I was dreaming of bigger things
And wanna leave Nile life behind
Not a yes sir, not a enslaver,
Hit the Jew, fit the mold
Had a seat, burning bush, take a look
I was Stuttering before the Marror, Marror...

Kadesh, Orchatz
Karpas, yayay Yachatz
Maggid, Rachzah, Motzen Matzah

Marror, Korech
Sh, Shulchan Orach, Tzafoon
Baraich, feel the Marror
Hallel and the Nirtzah
Marror feel the Marror
Charoset and the Marror
Marror, Marror Marror
Kids were laughing at the haggadah
While I was asking for ma nishtana
Who do you think you are?
Dreaming 'bout being a wise star
They say you're simple, they say you're easy
You're always riding in the wicked seat
Now I'm smiling reclining while
You were coughing up the Marror - Mm mm Marror

It AIN'T ME (Kygo, Selena Gomez)

Joseph had a dream
We'd be longing to be free
10 Plagues, Split the Sea
Noone's Frum enough

Somewhere along the lines
We stopped seeing Jews Eye to Eye
You were enslaving us all night
And Moses Had Enough

No, I don't wanna know
Where Egypt's been or where you're goin'
But I know we won't be home
And you'll be on your own

Who's gonna talk you through the Exodus until the morning?
Who's gonna rock you when the plagues won't let you sleep?
Who's waking up to let you go, when you're drunk and all alone?
Who's gonna talk you through the Exodus until the morning?

It ain't me (Slavery, Unity, Adir Hu, Adir Hu)
It ain't me (Slavery, Unity, Adir Hu, Adir Hu)
It ain't me (Slavery, Unity, Adir Hu, Next Year Jeru)
It ain't...

WHAT ABOUT US (Pink)

La da da da da, la da da da da Da da da
We are searchlights, seeing crumbs in the dark
We are firemen, burning bread to the stars
We spent billions on beautiful sedars
And you sold us down South Beach too far

What about kizayUS?
What about all the times you said you had 4 answers?
What about kizayUS?
What about all the broken matzah ever afters?
What about kizayUS?
What about all the seders that ended in disaster?
What about matzah? What about marror?
What about kizayUS?

We are 4 questions that want to be solved
We are 4 children that need to be loved
We were leaning', we recline when you called
But, man, you plagued us, enough is enough, oh

What about kizayus?

Something Just Like This (Coldplay/Chainsmokers)

I've been readin haggadahs of old
The legends and the myths
Moshe and his gold
Moshe and his lips
Pharaoh's control
And Aaron with his fists
And clearly I don't see myself upon that list
But she asked, ma-nishtana?
How much is a kazayis?
I'm not looking for afikomen
For some supermario gifts
Some super marror
Some 4cup wine bliss
Just some seder I can turn to
Some seder I cant miss

I want my seder just like this
Doo-doo-doo, day-yah-noo
Doo-doo-doo, day-yah-noo
Doo-doo-doo, day-yah-noo
I want my seder just like this
Doo-doo-doo, day-yah-noo
Doo-doo-doo, day-yah-noo
Doo-doo-doo, day-yah-noo
Doo-doo-doo, day-yah-noo
I want my seder just like this

I DON'T WANNA KNOW (Maaroon 5)

I don't wanna know, know, know, know
Who's taking the afiko ko ko ko komen
And hiding it so, so, so, so
The way we used to seder, no
I don't wanna know

Wasted (wasted)
And the Four I drink the more I think about it
Oh no, no, I can't take it
Baby, every page I read reminds me of Trauma
Do you think about identity?
Of what we used to be?
Is it better now that we're free now?
My friends are actin' strange
They don't bring up the page
Are you leaning now?
Are you leaning now?
I don't wanna know, know, know, know
Who's taking the afiko ko ko ko komen
And hiding it so, so, so, so
The way we used to seder, so!

TORAH INSIGHTS

Topic	Haggadah Question	Insight / Answers
Leaving Egypt	"Egypt" is a just a location, wouldn't it be better to focus on the actual problem like "Leaving Pharoah" or "Leaving Slavery"? Not Where	Passover is intended to be a personal liberation. Slavery and Pharoah were specific things that our forefathers escaped. The Hagadah keeps it vague to allow you to fill in your own specific struggle that you need to break free from in order for you to fully empathize. Take a second to focus on what's holding you back and then you can fully relate (Rabbi Tzvi Blanchard)
More Speak More Praiseworthy	There are 3 places the Talmud says "the more you speak, the more praiseworthy", Name them and their connection	1. Leaving Egypt at the Seder 2. Eulogy for a Parent 3. Defense for Someone accused of a Capital Crime The connection: A. All are situations where someone can no longer speak on their own behalf. B. They all are situations where your words can literally bring these things that are dead back to life (Mark Gerson)
Bnei Brak Up all Night Torah Story	Why does the Hagadah start to tell us a story about a bunch of rabbis staying up all night to discuss the Exodus. Why not just tell us: Stay up late and discuss?	The writers of the Haggadah needed a framework in which to "Teach". Their method: Stories and questions. Stories have been used as a source for learning throughout history for two reasons: 1. You remember and 2. you relate to them much better. When you read or watch stories, it often produces mental imagery, evokes emotions and focuses attention, all of which are mechanisms that can increase learning and long-term retention. (Rabbi Avrom Marmorstein)
The 4 Sons	The talmud Yerushalmi has only 3 sons mentioned. The Wicked son isn't mentioned? Why keep him?	Speak to your "All of you Children when they ask" - the rabbis knew all children means all types - that certainly includes someone not so interested or even worse: Bitter Tweens. They kept it to make a point: focus on reaching all kids (Rabbi Avrom Marmorstein)
In Every Generation	There are two places in the Hagadah that use the term "In Every Generation". What are they? What's their connection?	<i>In Every Generation: A person is obligated to regard himself as though he actually left Egypt.</i> <i>In Every Generation: People will rise up to destroy us.</i> The Connection: The identical term here serves as a comfort that although although these terrible things will continue to happen, so will the idea that we can always persevere. (R' Shaul Robinson)
The Ten Plagues	Is there any logic to the randomness of the 10 plagues?	The famous explanation is that the plagues mimic true warfare strat: by Sea (1-3) by Ground (4-6) by Sky (7 -9) and By God(10). The Maharal says that each of the 10 plague was the reversal of the 10 times God says "Let there Be..." at creation. For example: plague of Darkness reversed "Let there be light". This gives new meaning to the arbitrary nature of each plague, and that in fact God was truly formulaic in the way in which he inflicted retribution upon the Egyptians (R Moshe Grussgott)
Dtash Adash Bachab	What is the point of this Acronym? To just remember the 10 plagues?	Rabbi Yehuda wasn't only accustomed to giving Acronyms but also to teach a lesson. <i>Dtzech</i> means Happiness, <i>Adash</i> means Beans, <i>BAchab</i> means Brother. Alluding to the monumental Red Lentil Soup Birthright deal that Jacob bought from his brother Esav. Despite hundreds of years of slavery, after the plagues, it was suddenly all worth it. (Rabbi Alan Schwartz)
Dayaynu	There are 15 stanzas in this song. The number 15 shows up a number of times in the Hagadah. Can you name where?	There are 15 steps to the Seder. There are 15 stanzas to Dayaynu. 15 actually has a deeper significance of transition. There are 15 generations between Abraham and Solomon. From a people starting to a people establishing a king and a temple. 15 always signifies transition. The seder is intended to do just that for you personally. We say Dayaynu for all 15 steps no matter how illogical (getting to Mt. Sinai and not receiving the torah, Dayaynu?) as every step is one holistic transition (Rabbi Alan Schwartz)
