Sweat dripping off me
Before I even knew I was a slave, Ha ly la la

Split Sea at sunrise

Calm Down, by Taylor Swift

Jewish Slavery we bemoaned
But now drinking lots of wine and Patron
And I'm just like, DAMN, it's 11 PM

Singing it in the street, Bubbies knocked-out
But making animal noises, that's chad gad ya
And I'm just like, "Hey,
are you okay?"

And I ain't tryna mess with your self-expression But I've
learned a lesson that fressen' and blessen' 'bout freedom is
so from

And we cant leave till we eat afikomen

So oh-oh, oh-oh, oh-oh, oh-oh, oh-oh
You need to be proud
You're sing it out loud
And I'm just like oh-oh, oh-oh, oh-oh, oh-oh,
You need to NOT stop
Like can you just not
Shut this seder down?
You need to be proud

Jewish Slavery that we don't grow
and you're singing with your friends like a minyan
Why aren't you mad?
And singing so glad?

Weird Songs on the sheets of the seder
Your quoting dvar torah from Ruth Bader
This kosher delight, must've taken all night
You just need to take several seats and then try to eat a
matza peace And control your urges to scream about all the
torah you have
'Cause Marror root never caused anyone more pain
So oh-oh, oh-oh, oh-oh, oh-oh, oh-oh

Truth Hurts

Why a Jew great 'til they gotta eat great?

You coulda had a yid-kitsch
In a kittel
Help you with your pyramids

You're 'posed to let us go,

And that's the sound
of Moses's 10 plague attack

Why Jew great 'til they gotta eat great?
Just bless me, matzaballs in my face

Best friend sat me down in elijahs chair
Ask 4 questions like Elai Security airfare
Fresh marror with burning hot lightening
Real mensch be hagadah reciting

SEDER SONG CLASSICS...

To tune of “Take me out to the Ballgame”

Take me out to the Seder
Take me out to the crowd
Feed me some matzah and charoses
I'm a King now, to Egypt we're never going back
Cause it's not for Moshe Rabbeinu
Had to break the luchos what a shame!
For it's one, two, ...four cups of wine
At the ole seder plate!

Brady Bunch Theme song

Here's the story
of our great-grand Bubby and Zeide
Who were enslaved for about 210 years.
All of them were stuck in Egypt, with their Jewish brothers,
it was awfully hard work and bitter tears.

Here's their story,
Lets call it a "Seder"
Which we tell about how they finally broke free!
God sent Moshe to deal with Pharaoh,
and also to split the red sea.

Till that one day when God himself came to our rescue
And they knew it was much more than a hunch,
That this group of slaves would somehow form a nation.
That's the way we all became the Jewish Bunch.

That's the way we all became the Jewish Bunch.
The Jewish Bunch.

The Egyptians started getting rough

The Red Sea had no bridge to cross
If not for the courage of the fearless Jew,
Our nation would be lost, our nation would be lost.

God split the sea and we came to shore to start
a new lifestyle
With Miriam, and Aaron too,
Under G-d's care we did survive
Moses's lead,
The Torah and our Israel land
Here on Passover Night!!!!!!!!!!!!!!

Lady in Red

I've never seen Nile looking so bloody as it did tonight
I've never seen the Nile so bright (*O positive*)
I've never seen so many men ask you if you had a drink
They're looking for a working sink, water's all a bit pink
And I have never seen that water so flaming
Or the stench that's in the air that waters your eyes
I have been blind

The NILE in red is plaguing Egypt, creek to creek
There's no water here, it's just all bloody
It's why I want to freak
But I hardly know this Nile by my side
I'll never forget the way you look tonight

I've never seen you looking so Hemo as you did tonight
I've never seen you shine so bright, wish it was raining
I've never seen so many people want to be there by your side
And when you turned to red and fire, it took my breath away
And I have never had such a feeling
Such a feeling of complete and utter thirst, as I do tonight

The NILE in red is plaguing Egypt, creek to creek
There's no water here, it's just so bloody
It's why I want to freak
But I hardly know this Nile by my side
I'll never forget the way you look tonight
I never will forget the way you look tonight
The Nile in red, the Nile in red
The Nile in red, my lady in red

"I'm telling you Pharaoh, my staff is an act from God!"

Happy Passover: | bangtrot.com

To the tune of Hotel California

On an Egyptian desert highway
Cool wind in our hair
Warm smell of mazaohballs
Rising up through the air.
Up ahead in the distance
There's no food in sight
My head grew heavy, and my sight grew dim
Why is this different then all other nights!?
There Elijah stood in the doorway
I heard his dayanu song
And I was thinking to myself
This could be Heaven or Maagid prolonged!?
Then I asked the 4 questions
The Haggadah taught me the way
There were voices for each 4 sons
I thought I heard them say:

Chorus
Welcome to our Passover Seder
Such a lovely place
Such a lovely place (background)
There's no need to race!
Plenty of room at our Passover Table
It's that time of year
It's that time of year (background)
When we can't serve Beer!

TORAH INSIGHTS

Topic	Haggadah Question	Insight / Answers
Leaving Egypt	“Egypt” is a just a location, wouldn’t it be better to focus on the actual problem like “Leaving Pharoah” or “Leaving Slavery”? Not Where	Passover is intended to be a personal liberation. Slavery and Pharoah were specific things that our forefathers escaped. The Haggadah keeps it vague to allow you to fill in your own specific struggle that you need to break free from in order for you to fully empathize. Take a second to focus on what’s holding you back and then you can fully relate (Rabbi Tzvi Blanchard)
More Speak More Praiseworthy	There are 3 places the Talmud says “the more you speak, the more praiseworthy”, Name them and their connection	1. Leaving Egypt at the Seder 2. Eulogy for a Parent 3. Defense for Someone accused of a Capital Crime The connection? All are situations where someone can no longer speak on their own behalf. B. They all are situations where your words can literally bring these things that are dead back to life (Mark Gerson)
Bnei Brak Up all Night Torah Story	Why does the Hagadah start to tell us a story about a bunch of rabbis staying up all night to discuss the Exodus. Why not just tell us: Stay up late and discussed?	The writers of the Haggadah needed a framework in which to “Teach”. Their method: Stories and questions. Stories have been used as a source for learning throughout history for two reasons: 1. You remember and 2. you relate to them much better. When you read or watch stories, it often produces mental imagery, evokes emotions and focuses attention, all of which are mechanisms that can increase learning and long-term retention. Now visualize your seder discussion and you’ll remember better. (Rabbi A. Marmorstein)
The 4 Sons	The Haggadah weaves together pieces of the Torah to represent 4 sons, Why do we need a WICKED Son?	Each son represents the four interrelated phases of one’s own personal spiritual development. We all start as Stage 1. The Son who doesn’t know to ask,; a child, no spirituality. Stage 2.The Simple Son: Tell me what to do, and Ill comply he’s the “The Good Boy”. Stage 3. The Wise Son, I’ve I want to know what is required of me, in detail, because it’s of personal importance, and I already know why I should be doing this, NOW I want to go deeper. But between 2, and 3, there is 2.5. The Wicked Son, this is the stage we all must pass through to go from Tam to Chacham. In spiritual development, <i>differentiation</i> is a critical component to a faith embraced freely—and not just by habit or necessity. It’s powerfully useful to say “no” before embracing a mature “yes.”. Faith and Doubt Need Each Other. So we scold the Rasha, but we don’t kick him out, cause he’s inside all of us, ready to mature to level 3. (Dr. Mark Banschik)
In Every Generation	There are two places in the Hagadah that use the term “In Every Generation”. What are they? What’s their connection?	1.In Every Generation: A person is obligated to regard himself as though he actually left Egypt. 2. In Every Generation: People will rise up to destroy us. The Connection: The identical term here serves as a comfort that although although these terrible things will continue to happen, so will the idea that we can always persevere. (R’ Shaul Robinson)
The Ten Plagues	Is there any logic to the randomness of the 10 plagues?	The famous explanation is that the plagues mimic true warfare strat: by Sea (1-3) by Ground (4-6) by Sky (7 -9) and By God(10). The Maharal says that each of the 10 plague was the reversal of the 10 times God says “Let there Be...” at creation. For example: plague of Darkness reversed “Let there be light”. This gives new meaning to the arbitrary nature of each plague, and that in fact God was truly formulaic in the way in which he inflicted retribution upon the Egyptians (R Moshe Grussgott)
Dtash Adash Bachab	What is the point of this Acronym? To just remember the 10 plagues?	Rabbi Yehuda wasn’t only accustomed to giving Acronyms but also to teach a lesson. <i>Dtazch</i> means Happiness, <i>Adash</i> means Beans, <i>BAchab</i> means Brother. Alluding to the monumental Red Lentil Soup Birthright deal that Jacob bought from his brother Esav. Despite hundreds of years of slavery, after the plagues, it was suddenly all worth it. (Rabbi Alan Schwartz)
Dayaynu	There are 15 stanzas in this song. The number 15 shows up a number of times in the Hagadah. Can you name where?	There are 15 steps to the Seder. There are 15 stanzas to Dayaynu. 15 actually has a deeper significance of transition. There are 15 generations between Abraham and Solomon. From a people starting to a people establishing a king and a temple. 15 always signifies transition. The seder is intended to do just that for you personally. We say Dayaynu for all 15 steps no matter how illogical (getting to Mt. Sinai and not receiving the torah, Dayaynu?) as every step is one holistic transition (Rabbi Alan Schwartz)

Prediction: There will be a minor baby boom in 9 months, and then one day in 2033, we shall witness the rise of THE QUARANTEENS.

If you need 144 rolls of toilet paper for a 14 day quarantine you probably should've been seeing a Doctor long before COVID-19

Coronavirus is like semicha. You say you've got it even if you haven't been tested. It's better to get it when you're younger, everyone in Bnei Brak has it, and the less Yeshivish you are, the more serious you take it.

turns out my top 3 hobbies are:

1. eating at restaurants
2. going to nonessential businesses
3. touching my face

How I expected my global pandemic Passover Seder to look like

What it is

Point: if you're not eating matzah next week, you're not keeping kosher for passover.

Counterpoint: actually, the principle of pikuach nefesh, the saving of a life, means that it's acceptable to eat chametz this week to avoid going to the grocery store.

SUPERPOINT: ACTUALLY, anything that you scrounge together from odds and ends while huddled fearfully in your home, consumed by the dread knowledge that remaining indoors is the only way to prevent plague from wreaking death in your community, is about a MILLION TIMES MORE KOSHER FOR PASSOVER THAN ANYTHING YOU'VE EVER EATEN IN YOUR WHOLE-ASS LIFE.

Stay safe, friends. Chag sameach. May the Angel of Death pass over all of our houses.

Years from now, there will be a minhag in Klal Yisroel to do all your pre-Pesach shopping wearing gloves and a facemask.

A couple of weeks of isolation with the family. What can go wrong?

Kid: hey mum when is this coronavirus thing gonna be over?
Mum: just shut up and eat your toilet paper

Day 2 without sports:

Found a young lady sitting on my couch yesterday. Apparently she's my wife. She seems nice.

SEDER SONGS!

Shallow (Lady Gaga)

Tell me something, God
Are you happy with this enslaved world?
Or do you need more?
Is there chumetz that you're searching for?
Salt-watering
In all the good times I find myself
Longing, for Bread
And in the bad times I fear myself....

Tell me somethin' God
Aren't you tired tryna lose celluloid?
Or do you need more?
Ain't it hard keepin' Elijah at the door?
Salt-watering
In all the good times I find myself
Longing for Bread
And in the bad times I fear myself
I'm off the deep end
Watch as I recline in
I'll never eat marror ground
Crash on the sofa
Where they can't irk us
We're far from the seder now
In the seder
In the seder
In the seder
We're far from the seder now
Tell me somethin' God
Tell me somethin' God
Yeah, we're far from the seder
Yeah, we're far from the seder now
We're far from the seder now

Girls Like You (Maroon 5)

Spent 24 hours
Getting Seder flowers, for you
You spent the weekend
Findin an afikomen, ooh ooh
We spent se-der night
Grating marror right, between us
But now it's all good baby
Motzei Matzah baby
And pass me food

'Cause girls ask 4Qs
To Wise sons like me
'Til sundown, when Eliyahu
I need girls ask Qs, yeah
Girls like Qs
Love 4 sons, yeah me too
What I want when I come through
I need a girl to ask Qs, yeah
Yeah
I need a girl to ask Qs, yeah
Yeah
I need a girl to ask Qs, yeah

I spent last night
On the last cup, grape juice
Took a whole cup
Pass that \$20 ketchup, ooh
We spent the daylight
Trying to say Maagid right between us
And now it's all good baby
Roll that Matzah baby
'Cause girls like Qs
Frum Wise guys like me
'Til sundown, when Eliyach shows too
I need a girl w Qs, yeah

Broken (LovelyTheBand)

I like that your Matza's broken like me
Maybe that makes me a slave
I like that your Matza's
holy like me
I could be holy with you

I met you late night, at a seder
Some Lubovitch, Brooklyn loft
By the bathroom, you said let's talk
But my confidence is wearing off

These are my people
These are my friends

She grabbed my face and that's when she said:

I like that you're matza's Broken like me
Maybe that makes me a slave
I like that you're holy
like me
I could be holy with you

There's something tragic, but almost pure
Think I could love you, but I'm not sure
There's something wholesome, there's something sweet
Tucked in your eyes that I'd love to meet

These are my people
These are my friends
She grabbed my face and that's when she said
I like that you're matza's
Broken like me
Maybe that makes me a fool
I like that you're holy
like me
I could be Holy with you

To "The Fresh Prince of Bel Air" Theme Song

Now this is the story all about how
My life in Egypt got flipped upside down
And I'd like to take a minute just sit back and lean
I'll tell you how I became the prince of a town
called Mizrayim

In West Alexandria born and raised
In a basket is where I spent most of my days
Chilling out, maxing, relaxing all cool
And all floating in da Nile like swimming in a pool
When a couple of Pharaoh's guys said we're
up in no good
Started making trouble in my neighborhood
There was one harsh decree and the Jews
got scared
And said you're moving down to Goshen with
Yisro & Tzipporah there

I whistled at this burning bush and when I
came near
the bush said Shalom, had I had too much
beer?
If anything I could say that this miracle was
rare
But I thought can't forget it, Yo Pharaoh's
been unfair

I pulled up to a palace about seven or eight
And I yelled to Pharaoh, yo homes smell you
later
Looked at my kingdom I was finally there
To Let My People Go; Taking da Jews to
freedom from despair

Use Somebody by Kings of Leon

Moses been roaming around, he was looking
down at all his peeps
Slave faces, wishing free places, they can't
reach
You know that I could use some parsley
You know that I could use some parsley

Some karpas like you and all you need is
saltwater and green
Countless veggies wont keep you up, you
need caffeine

You know that I could use more parsley.
You know that I could use more parseley
Some karpas for you!

Off in seder night while you live it up, don't fall
asleep
Waging wars against Paroah, but Im starving
and hungry
I hope it's gonna make you notice (im
starving)
I hope it's gonna make you notice (this is too
long)

Someone needs meat, someone needs meat,
Shulchan Aruch like me, somebody

I'm ready now, I'm ready now (to eat)
I'm ready now, I'm ready now (to lean)
I'm ready now, I'm ready now (to fress)
I'm ready now (to sleep)

Some karpas will do, some parsley. Some
karpas will do, some parsley Some karpas
will do, some parsley

I've been roaming around, looking down at
the sederplate and karpas is all I see
You know that I could use some parsley
You know that I could use some parsley

THE CHAINSMOKERS

CLOSER - The Chainsmokers

Hey, I was a slave before I met you,
I work too much and that's an issue, i'm OK
OyVeh, you tell Egyptians was nice to meet'm
But I hope I never see them again

I know it hardens your heart
Moshe down the Nile in a basket cart
And 200 years, no calls
Now you're looking bloody in a Nile bar
And I can't stop
No, I can't stop

So Dam, Tfardeah, Kinim,
Arov, Dever, shchin, barad
Arbeh Choshech can't afford,
Plagues on streets of all of Egypt,
From the afikomen that you stole,
From your doorpost got passed over,
We aint never doing seder sober.
We aint never doing seder sober.

You look as good as the day I met you
I forget just why I left you, I was insane
Stay and play that Dayenu song
That we beat to death in Cairo okay
I know it hardens your heart
Moshe down the Nile in a basket cart
And 200 years, no calls
Now you're looking bloody in a Nile bar
And I can't stop
No, I can't stop

So Dam, Tfardeah, Kinim,
Arov, Dever, shchin, barad
Arbeh Choshech can't afford,
Plagues on streets of all of Egypt,
From the afikomen that you stole,
From your doorpost got passed over,
We aint never doing seder sober.
We aint never doing seder sober.

THIS IS WHAT YOU CAME FOR - Rhanna

Seder, this is what you came for
Karpas, appetizing but not enough,
And everybody's starving here
But she's looking for food oh, oh
Food, oh, oh, you, oh, oh
Food, oh, oh, you, oh, oh
Food, oh, oh
Oh, oh
Karpas, this is what you came for
Karpas, appetizing but not enough,
And everybody's starving here
But she's looking for food, oh, oh
Food, oh, oh, you, oh, oh
Food, oh, oh, you, oh, oh
Food, oh, oh
Oh, oh
You, oh, oh, you, oh, oh
You, oh, oh, you, oh, oh
You, oh, oh, you, oh, oh
Oh, oh

CHEAP THRILLS - SIA

Come on, come on, get your bedika on
It's seder night and I won't be long

Gotta do my hair, I put my make up on
It's seder night and I won't be long

Til I ma nishtana
Ma nishtana
I got 4 questions please
No I ain't got blood
I ain't got frogs

But I got 4 cups baby
Baby I dont need a pesach program have
fun tonight
(I love cheap thrills)

Baby I dont need a pesach hotel to have fun
tonight
(I love cheap thrills)

But I don't need no south beach

As long as I can feel slavery
I don't need no tea room please
As long as I keep sedering!

SHAPE OF YOU - Ed Sheeran

The club isn't the best place to find a matzah
So the shul is where I go

Me and my friends at the seder doing shots
Drinking fast and then we talk slow

Come over and start up 4 questions with just
me
And trust me I'll give it a chance now
Take my hand, stop, put marror on matzah
And then we start to lean, and now I'm singing
like

Girl, you know I want Korech,
Your marror was handmade for somebody like
me
Come on now, follow my lean
I may be starving, don't mind me
Say, boy, let's not talk too much
Lets eat in haste and put that marror on me
Come on now, follow my lean
Come, come on now, follow my lean

I'm in love with Hillel sandwich too
We push and pull like Shamai do
Although my charoses is falling off too
I'm in love with your marror

And last night you seder went till 2,
And now my haggadah smells like food
Every seder discovering something brand new
I'm in love with your sandwich

Oh—I—oh—I—oh—I—oh—I
I'm in love with Hillel Sandwich
Oh—I—oh—I—oh—I—oh—I
I'm in love with Hillel Sandwich
Oh—I—oh—I—oh—I—oh—I
I'm in love with Hillel Sandwich

"Shake It Off" by Taylor Swift

I stay up too late.....Got 4 cups on my brain
That's what people say, nuu-nuuu
That's what people say, nuu-nuuu
I go on too many rants.....But I can't make any sense
At least that's what people say, nuu nuu
That's what people say, nuu nuu

But I keep leaning
Can't stop, won't stop eating
It's like I got this freedom
In my mind, Singing, "Dayenu all night."
'Cause the seder's on a plate, plate, plate, plate, plate
Mitzrim gonna hate, hate, hate, hate, hate
Marror, just gonna shake, shake, shake, shake, shake
- I shake it off, Shake Marror off
Afikomen gonna break, break, break, break, break
And the matzahs gonna bake, bake, bake, bake, bake
Marror just gonna shake, shake, shake, shake, shake
I shake marror off, I shake it off

I never miss a step.....Leaving Egypt was a Shlep
And that's what they don't see, mmm-mmm
That's what they don't see, mmm-mmm
I'm kiddushing on my own (kiddushing on my own)
I make the rules up as I go (rules up as I go)
And that's what they don't know, oy vey
That's what they don't know, oy vey
But I keep Leaning.....Can't stop, won't stop dipping
It's like I got this freedom In my mind, Singing, "Dayenu, all night."
'Cause the seder's on a plate, plate, plate, plate, plate
Mitzrim gonna hate, hate, hate, hate, hate
Marror, just gonna shake, shake, shake, shake, shake
I shake it off, I shake Marror off (Oy, Oy)
Afikomen gonna break, break, break, break, break
And the matzahs gonna bake, bake, bake, bake, bake
Marror just gonna shake, shake, shake, shake, shake
I shake marror off, I shake Marror off
Shake Marror off, I shake it off, (marror)
I, I, I shake it off, I shake it off, (marror) x3
Hey, hey, hey
Just think while you've been leaning down and out about the Pharaoh
and the dirty, dirty plagues of the world, You could've been getting
down to this sick vort.
My afikoman lost by my new girlfriend She's like "Oh, my god!" but I'm
just gonna break.
And to the fella over there with the Elijah good hair, Won't you lean on
over, baby? We can shake, shake, shake
Yeah ohhh 'Cause the seder's on a plate, plate, plate, plate, plate.....

"All of Me" by John Legend

What would I do without charoset in my mouth?
Leaning in, and dipping out
Marror got my head spinning, no kidding, I need to lay down
What's Hillel's magical mystery ride?
And I'm so dizzy, don't know what hit me, but I'll be alright
My tongue's underwater
But I'm breathing fire
You're drunk and I'm out of my mind

'Cause all of me
Loves Da-yeh-nu
Love your Hillel and all your sandwich
All your perfect manishtanahs
Give your matzah to me
I'll give my matzah to you
You're my end and my beginning
Even when I lose Afikomen I'm winning
Cause I give all marror to me
And you give all charoset to u, oh
How many questions do I have to ask you
Even when you're crying you're a free Jew
Egypt is beating you down, I'm around through every food
Carbs are my downfall, matzah my muse
My worst distraction, my rhythm and blues
I can't stop leaning, it's crunching in my mouth for you
My tongue's underwater
But I'm breathing fire
You're crazy and I'm out of my mind

'Cause all of me
Loves Da-yeh-nu
Love your Hillel and all your sandwich
All your perfect manishtanahs
Give your matzah to me
I'll give my matzah to you
You're my end and my beginning
Even when I lose Afikomen I'm winning
Cause I give all Marror to me
And you give all Charoset to you, oh
Karpas on the table, we're both dipping stalks
Telling it all though we're starved

"Do you Wanna Build a Snowman"

Do you wanna steal the afikoman?
Come on lets go and play
You never steal it anymore, just set it on the floor, it's like you've gone away
We used to be Seder buddies and now were not I wish you would tell me why
(this night is different from all others)
Do you wanna steal the afikoman?
It doesn't have to be an afikoman
Elsa: Go away daddy
Anna: Okay bye...
Do you wanna find an afikoman?
Or ride your bike around the halls?
I think frog songs are overdue
I've started talking to the grownups about matzo balls
spoken
Hang in there Dad
It's gets a little lonely, all these empty Seder seats
Just watching the kids say bye "tick tock tick tock"
spoken
Elsa?
Please, I know the matzah's in there
People are asking where has it been?
They say have more matzah and I'm trying to
I'm leaning left for you, just let me in
We only have each other, it's just you and me singing: Who Know One?
Do you wanna steal the afikomen?

LET IT GO

The slaves plan to leave Egypt tonight, Not a
footprint to be seen
A kingdom to emancipation, And it looks like we
are free.
Wild Animals howling like this hail storm inside
Couldn't keep us in, heaven knows Pharaoh
tried
Don't let them go, don't let them see
Be the good slaves you always have to be
Conceal, don't feel, don't let them go,
Well, now they know
Let them go, let them go
Can't hold Jews back anymore
Let them go, let them go
Cast away and slam the door
I don't care
What they're going to say
Let the Seder drag on,
The matzah never bothered me anyway
It's funny how some distance
Makes everything seem small
And the taskmasters that once controlled me
Can't get to me at all
It's time to see what we can do
To drink 4 cups and say Dayenu
Lean right, no wrong, no marror for me....I'm free

Let them go, let them go,
I am one with the frogs and lice,
Let them go, let them go
You'll pour out wine to cry
Kiddush I stand, on this Passover day,
Let the Seder drag on...the matzah never
bothered me anyway

“STAY WITH ME” by Sam Smith

Guess it's true, I'm not good at the 4 questions
But I still need to ask, cause am the youngest kid
These Seder nights never seem to go to plan
I just want you to leave, will u skip to the end?

Oh, won't you Seder with me?
'Cause we're all going free
This ain't shmura, it's clear to see
But darling, lean with me

Why is this Seder so political?
No, it's not a good look, get some self control
And deep down I know I stained my shirt
But you can lean with me so chrain doesn't hurt

Oh, won't you eat matzah with me?
'Cause you got the afikomen yasee
This ain't shmura, it's clear to see
But darling, lean with me

Oh, won't you sing Chad Gad Ya with me?
'Cause 2 zusim is all I need
This ain't shmura, it's clear to see
But darling, lean with me...

“Chandelier” by Sia

Pesach girls don't get hurt
Can't book last minute, when will I learn
I'm flying down, flying down, redeye
I'm the one "for Miami Seder call"
Phone's blowin' up, Elijah's ringin' my doorbell
I feel the sun, feel the sun,
[Pre-Chorus]
1,2,3 1,2,3 drink
1,2,3 1,2,3 drink
1,2,3 1,2,3 drink
Throw 'em back, 'til I lose cup count
[Chorus]

I'm gonna steal from the afimomen, from the afikomen
I'm gonna lean like tomorrow Seder doesn't exist
Like it doesn't exist
I'm gonna fly from 4 cups of wine, feel my saltwater tears as they dry
I'm gonna steal from the afikomen, from the afikomen
But I'm holding on for Chad Gad Ya, won't look down won't open my eyes
Keep my glass full until morning light, 'cos I'm just drinking 4 cups tonight
Help me, I'm holding on for Chad Gad Ya, won't look down won't open my eyes
Keep my glass full until morning light, 'cos I'm just drinking 4 cups tonight
4 for tonight
Sun is up, Shema they miss
Gotta get up now, gotta sleep on this
Here comes the chrain, here comes the chrain
[Pre-Chorus]
1,2,3 1,2,3 drink
1,2,3 1,2,3 drink
1,2,3 1,2,3 drink
[Chorus]
I'm gonna steal from the afimomen, from the afikomen
I'm gonna lean like tomorrow Seder doesn't exist
Like it doesn't exist
I'm gonna fly from 4 cups of wine, feel my saltwater tears as they dry
I'm gonna steal from the afikomen, from the afikomen

“Pompeii” by Bastille

DA-YEH-NU-OH-DAY-EH NU NU OH
I was left to my 4th cup of wine...
Many drops fell away with nothing to show...
And the plagues kept tumbling down
On the city full of frogs
Great clouds roll over the Nile
Bringing darkness from above
But if you close your eyes....
Does it almost feel like
Nothing in the Seder changed at all?
And if you close your eyes,
Does it almost feel like
you've been enslaved before?
How Ima gonna read the haggadah new about this?
How Ima gonna read the haggadah new about this?
We were caught up and lost in all of Pharaoh's might
In our haste as the dough didn't rise, we left to fight
And the plagues kept tumbling down
On the city, full of frogs
Great clouds roll over the Nile
Bringing darkness from above
But if you close your eyes....
Does it almost feel like
Nothing in this Seder changed at all?
And if you close your eyes,
Does it almost feel like
you've been enslaved before?
How Ima gonna read the haggadah about this?
How Ima gonna read the haggadah about this?
DA-YEH-NU-OH-DAY-EH NU NU OH
Oh where do we begin?
From freedom or prison?
Oh oh where do we begin?
From freedom or prison?
And the plagues kept tumbling down (oh where do we begin?)
In the city that we love (the freedom or prison?)
Great clouds roll over the hills (oh where do we begin?)
Bringing darkness from above (the freedom or prison?)
But if you close your eyes,
Does it almost feel like
haggadah explains it all?
And if you close your eyes,
Does it almost feel like
You've been enslaved before?
How am I gonna read the haggadah about this?
How am I gonna read the haggadah about this?
If you close your eyes, does it almost feel like the haggadah explains it all?
DAYENU

Take me to Church “Hozier

My seder's got humor
We giggle at Egypt's funeral
Knows everybody's disapproval
I should've spilled wine sooner
If the children did ask to speak
The 4 questions to mouthpiece
Every step's getting more bleak
A fresh whipping with an onion or leek
"We were born slaves" you heard them say it
My Seder offers no kitnoos
Mom tells me "recline in the living room"
The only matzah I'll be sent to
Is when shmura is to hard to chew
I was born enslaved
But I escaped it
Command me to be free...Aaay. Amen. Amen. Amen.
Take me to search
I'll sniff it like a dog by the shine of your candlelight
I'll get the afikomen and you can surely have a bite
Offer me that tasteless bread
Good God, let me give you my wine
If I'm enslaved to the good times
Mmy morning is Shema sunlight
To keep the charoses on my side
Karbon Pesach demands a sacrifice
Split the whole sea
Get to Mt Sinai maybe
Something meaty for the main course
That's a fine-looking Egyptian horse
One little goat in the stable?
We've a lot of starving faithful
That looks tasty
That looks plenty
This seder's hungry work
Take me to Search
I'll sniff it like a dog by the shine of your candlelight
I'll get the afikomen and you can surely have a bite
Offer me that tasteless bread
Good God, let me give you my wine
No masters or kings...When the hagadah begins
There is no sweeter innocence than our children
In the madness and miracle of that holy earthly scene
Only then I am a Jew man, Only then I am free
Ooh oh. Amen. Amen. Amen.
Take me to Search
I'll sniff it like a dog by the shine of your candlelight
I'll get the afikomen and you can surely have a bite
Offer me that tasteless bread Good God,
let me give you my wine
