THE TIKTOK SEDER

"...TELL ME YOU'RE AT A PASSOVER SEDER; WITHOUT TELLING ME YOU'RE AT A SEDER"

The entire kitchen is covered in aluminum foil

When someone asks "White or Red?" they're referring to Horseradish preference

Everyone knows what a "Shank Bone" is

Singing songs about Goats

Having anxiety about reading the Wise Son out loud

Currently strategizing on how to steal afikomen and ideal hiding spots

4 questions are asked, 40 pages follow that answer none of them

Two words: Maxwell House

Invisible Santa type character named Eliyahu shows up

All plates speckled with droplets of wine

After years of experience, seder tip: Devour the Karpas

Someone is choking, coughing violently from the hot hot marror

The dip is salt water

NEW 2021 SEDER SONGS!

Levitating Dua Lipa

If you wanna run away with me, I know a place in Galillee
And I can take you for a ride
I had a premonition that we made a Kosher Kitchen
Where the tinfoil don't stop for life (for life)

Bitter amplified, Bitter in my eyes
Marror just the way I like (I like)

If you're feeling like you need a afikomen
You met me at the perfect time

*You want Free, I want Jews, baby
My matzahbread is Leavenating
The Seder Way is liberating
Yeah, yeah, yeah*

*I got you, midnight, you're my Canannaites
I need Jews all night, come on, lean with me
I got you, till midnight, you're my Canannaites
I need you all night, come on, lean with me*

I believe that you're for me, I feel the seder energy
I see it written in the stars
We can go wherever, so let's do it now or never
Baby, Israe's never, ever too far

Bitter amplified, Bitter in my eyes
Marror just the way we are
I feel like we're forever every time Seder together
No, we're never gonna break matzah apart

*You want Free, I want Jews, baby
My Matzahballs, are Leavenating
The Seder Way is liberating
Yeah, yeah, yeah*

*I got you, Wise son, you're my Wicked one
I need you all night, come on, ask with me
We're Leavenating*

Water mellon Sugar – Harry Styles

Tastes like Charoset, On a seder evenin'
And it sounds like a goat song
I want more Marror, And that seder feelin'
It's so bitter and so strong

Breathe me in, breathe me out
I don't know if I could ever Horseraddish out
I'm just asking 4questions proud
I don't know if I could ever go without

Afikomen Stealin' Hide
Marror Keeps burning, my Eyes
Marror Keeps burning, might die
Afikomen Stealin' Hide
Afikomen Stealin'

Hillel Sandwich on a Seder evenin'
Baby, you're at the end of Safoon
I want your charoset jelly
And that Seder feelin'
Getting muted out on Zoom

Breathe me in, breathe me out
I don't know if I could ever Horseraddish out

Afikomen Stealin'- Hide!
Afikomen Stealin'- Hide!
Afikomen Stealin'- Hide!
Afikomen Stealin'- Hide!
Afikomen Stealin'- Hide!
Afikomen Stealin'- Hide!
Afikomen Stealin'- Hide!

I just wanna taste it, I just wanna taste it
Afikomen Stealin'- Hide!

Blinded by the Lights – The Weeknd

I've been tryin' to crawl
I've been searching for crumbs long enough
Maybe you can show me how to eat,
Carbfree

I'm going through bread withdrawals,
You don't even have to clean too much
You can kick this off with just kiddush,
baby

I look around and
My fridge is cold and empty (oh)
No pasta around to carb load (oh)
I can't eat clearly when you're gone

*And I said,
oooooooooh, I'm a starving Israelite
No, I can't sleep until I eat chummus
I said, ooooooh, I'm sedering tonight
Oh, when I'm like this, I dream of pizza crust
(Hey, hey, hey)*

I'm running out of time
'Cause I can see the motzei matza coming up
So I hit the seder in overdrive
baby, oh

My stomach's is cold and empty (oh)
No pasta around to carb load (oh)
I can't eat clearly when you're gone

*And I said,
oooooooooh, I'm a starving Israelite
No, I can't sleep until I eat chummus
I said, ooooooh, I'm sedering tonight
Oh, when I'm like this, I dream of pizza crust
(Hey, hey, hey)*

Take me out to the Seder
Take me out to the crowd

Brady Bunch Theme song

Here's the story
of our great-grand Bubby and Zeide
Who were enslaved for about 210 years.
All of them were stuck in Egypt, with their Jewish brothers,
it was awfully hard work and bitter tears.

Here's their story,
Lets call it a "Seder"
Which we tell about how they finally broke free!
God sent Moshe to deal with Pharaoh,
and also to split the red sea.

Till that one day when God himself came to our rescue
And they knew it was much more than a hunch,
That this group of slaves would somehow form a nation.
That's the way we all became the Jewish Bunch.
The Jewish Bunch,

That's the way we all became the Jewish Bunch.
The Jewish Bunch.

Moses was a mighty holy man,
Aaron brave and sure.
The Jewish Nation escaped that night,
For a three day tour, a three day tour.

The Egyptians started getting rough
The Red Sea had no bridge to cross
If not for the courage of the fearless Jew,
Our nation would be lost, our nation would be lost.

God split the sea and we came to shore to start a new lifestyle
With Miriam, and Aaron too,
Under G-d's care we did survive
Moses's lead,
The Torah and our Israel land
Here on Passover Night!!!!!!

Lady in Red

I've never seen Nile looking so bloody as it did tonight
I've never seen the Nile so bright (*O positive*)
I've never seen so many men ask you if you had a drink
They're looking for a working sink, water's all a bit pink
And I have never seen that water so flaming
Or the stench that's in the air that waters your eyes
I have been blind

The NILE in red is plaguing Egypt, creek to creek
There's no water here, it's just all bloody
It's why I want to freak
But I hardly know this Nile by my side
I'll never forget the way you look tonight

I've never seen you looking so Hemo as you did tonight
I've never seen you shine so bright, wish it was raining
I've never seen so many people want to be there by your side
And when you turned to red and fire, it took my breath away
And I have never had such a feeling
Such a feeling of complete and utter thirst, as I do tonight

The NILE in red is plaguing Egypt, creek to creek
There's no water here, it's just so bloody
It's why I want to freak
But I hardly know this Nile by my side
I'll never forget the way you look tonight
The Nile in red, the Nile in red
The Nile in red, my lady in red

"I'm telling you Pharaoh, my staff is an act from God!"

Happy Passover! | bangtrot.com

To the tune of Hotel California

On an Egyptian desert highway
Cool wind in our hair
Warm smell of mazohballs
Rising up through the air.
Up ahead in the distance
There's no food in sight
My head grew heavy, and my sight grew dim
Why is this different then all other nights!
There Elijah stood in the doorway
I heard his dayanu song
And I was thinking to myself
This could be Heaven or Maagid prolonged!
Then I asked the 4 questions
The Haggadah taught me the way
There were voices for each 4 sons
I thought I heard them say:

Chorus

Welcome to our Passover Seder
Such a lovely place
Such a lovely place (background)
There's no need to race!
Plenty of room at our Passover Table
It's that time of year
It's that time of year (background)
When we can't serve Beer!

TORAH INSIGHTS

Topic	Haggadah Question	Insight / Answers
Leaving Egypt	"Egypt" is a just a location, wouldn't it be better to focus on the actual problem like "Leaving Pharoah" or "Leaving Slavery"? Not Where	Passover is intended to be a personal liberation. Slavery and Pharoah were specific things that our forefathers escaped. The Haggadah keeps it vague to allow you to fill in your own specific struggle that you need to break free from in order for you to fully empathize. Take a second to focus on what's holding you back and then you can fully relate (Rabbi Zvi Blanchard)
More Speak More Praiseworthy	There are 3 places the Talmud says "the more you speak, the more praiseworthy", Name them and their connection	1. Leaving Egypt at the Seder 2. Eulogy for a Parent 3. Defense for Someone accused of a Capital Crime The connection: A. All are situations where someone can no longer speak on their own behalf. B. They all are situations where your words can literally bring these things that are dead back to life (Mark Gerson)
Bnei Brak Up all Night Torah Story	Why does the Hagadah start to tell us a story about a bunch of rabbis staying up all night to discuss the Exodus. Why not just tell us: Stay up late and discussed?	The writers of the Haggadah needed a framework in which to "Teach". Their method: Stories and questions. Stories have been used as a source for learning throughout history for two reasons: 1. You remember and 2. you relate to them much better. When you read or watch stories, it often produces mental imagery, evokes emotions and focuses attention, all of which are mechanisms that can increase learning and long-term retention. (Rabbi Avrom Marmorstein)
The 4 Sons	The talmud Yerushalmi has only 3 sons mentioned. The Wicked son isn't mentioned? Why keep him?	Speak to your "All of you Children when they ask" - the rabbis knew all children means all types - that certainly includes someone not so interested or even worse: Bitter Tweens. They kept it to make a point: focus on reaching all kids (Rabbi Avrom Marmorstein)
In Every Generation	There are two places in the Hagadah that use the term "In Every Generation". What are they? What's their connection?	1. <i>In Every Generation: A person is obligated to regard himself as though he actually left Egypt.</i> 2. <i>In Every Generation: People will rise up to destroy us.</i> <i>The Connection:</i> The identical term here serves as a comfort that although although these terrible things will continue to happen, so will the idea that we can always persevere. (R' Shaul Robinson)
The Ten Plagues	Is there any logic to the randomness of the 10 plagues?	The famous explanation is that the plagues mimic true warfare strat: by Sea (1-3) by Ground (4-6) by Sky (7 -9) and By God(10). The Maharal says that each of the 10 plague was the reversal of the 10 times God says "Let there Be..." at creation. For example: plague of Darkness reversed "Let there be light", This gives new meaning to the arbitrary nature of each plague, and that in fact God was truly formulaic in the way in which he inflicted retribution upon the Egyptians (R Moshe Grussgott)
Dtash Adash Bachab	What is the point of this Acronym? To just remember the 10 plagues?	Rabbi Yehuda wasn't only accustomed to giving Acronyms but also to teach a lesson. <i>Dtazch</i> means Happiness, <i>Adash</i> means Beans, <i>BAchab</i> means Brother. Alluding to the monumental Red Lentil Soup Birthright deal that Jacob bought from his brother Esav. Despite hundreds of years of slavery, after the plagues, it was suddenly all worth it. (Rabbi Alan Schwartz)
Dayaynu	There are 15 stanzas in this song. The number 15 shows up a number of times in the Hagadah. Can you name where?	There are 15 steps to the Seder. There are 15 stanzas to Dayaynu. 15 actually has a deeper significance of transition. There are 15 generations between Abraham and Solomon. From a people starting to a people establishing a king and a temple. 15 always signifies transition. The seder is intended to do just that for you personally. We say Dayaynu for all 15 steps no matter how illogical (getting to Mt. Sinai and not receiving the torah, Dayaynu?) as every step is one holistic transition (Rabbi Alan Schwartz)

Truth Hurts

Why a Jew great 'til they gotta eat great?

Woo

turns out
I'm 100% 'shknazic...
Even when I'm Kneidel crazy

Yeah, I got goy problems,
that's the Egypt in me
Bling bling, then we solve 'em,
that's the Moses in me

You coulda had a yid-kitsch
In a kittel
Help you with your pyramids
just a shtickle
You're 'posed to let us go,
but you're holding us back
And that's the sound
of Moses's 10 plague attack

Why Jew great 'til they gotta eat great?
Just bless me, matzaballs in my face

Best friend sat me down in elijahs chair
Ask 4 questions like Elai Security airfare
Fresh marror with burning hot lightening
Real mensch be hagadah reciting
Matza Dry, needed something more
exciting...

Maroon5, Memories

Here's to 4sons that we taught
Cheers to the sons quarantined, cause their smart
'Cause the drinks brings back Egypt memories
Of everything we've been through

Toast to the ones who ain't here today
Toast to the ones quarantined on the way
'Cause the drinks brings back Egypt memories
And the memories bring back, memories bring back
Shul

There's a time that I remember, when I did not know
no slaves
When I believed in building Egypt, and everything
would stay the same
Now my heart feels like a shul member, when
somebody tone-deaf tries to lain
'Cause I can't reach out to call shul, just to be able to
complain, yeah

Everybody hurts sometimes
Everybody hurts someday, ayy ayy
But everything gon' be alright
Go and raise a glass and say, ayy

Here's to 4sons that are we taught
Cheers to the sons who ain't here, cause their smart
'Cause the drinks bring back Egypt memories
Of everything we've been through

Toast to the ones going solo today
Toast to the ones quarantined on the way
'Cause the drinks brings back Egypt memories
And the memories bring back, memories bring back
Shul

Doo doo, doo doo doo doo

Seniorita, by Camila Cabello, Shawn Mendes

I Love it when you ask me Mahnishtana
I wish I could pretend I didn't wanna
But every Q is Ha-Ly-Ly Lah (hazeh)
It's two Ly-Ly-Lah
Ooh, questions rerunning
Ooh, magid upcoming for ya

Land in Mitzrayim
The air was hot from summer pain
Sweat dripping off me
Before I even knew I was a slave, Ha ly la la
It felt like ooh ly ly la...Yeah, no

We left at midnight
We walked for hours in the sand
Split Sea at sunrise
Our people fit right in you hands, ha ly la
It felt like ooh la la la, yeah
I
I Love it when you ask me Mahnishtana
I wish I could pretend I didn't wanna
But every Q is Ha-Ly-Ly Lah (hazeh)
It's two Ly-Ly-Lah
Ooh, questions rerunning
Ooh, you know .-

I Love it when you ask me Mahnishtana
I wish it wasn't so damn hard to answer ya
But every question is ooh Ha Ly Ly la
It's true, ly ly la
Ooh, I should be eating
Ooh, why are you keep repeating questions?

Calm Down, by Taylor Swift

Jewish Slavery we bemoaned
But now drinking lots of wine and Patron
And I'm just like, DAMN, it's 11 PM

Singing it in the street, Bubbies knocked-out
But making animal noises, that's chad gad ya
And I'm just like, "Hey,
are you okay?"

And I ain't tryna mess with your self-expression But I've
learned a lesson that fressen' and blessen' 'bout freedom is
so frum

And we cant leave till we eat afikomen

So oh-oh, oh-oh, oh-oh, oh-oh, oh-oh
You need to be proud
You're sing it out loud
And I'm just like oh-oh, oh-oh, oh-oh, oh-oh,
You need to NOT stop
Like can you just not
Shut this seder down?
You need to be proud

Jewish Slavery that we don't grow
and you're singing with your friends like a minyan
Why aren't you mad?
And singing so glad?

Weird Songs on the sheets of the seder
Your quoting dvar torah from Ruth Bader
This kosher delight, must've taken all night
You just need to take several seats and then try to eat a
matza peace And control your urges to scream about all the
torah you have
'Cause Marror root never caused anyone more pain
So oh-oh, oh-oh, oh-oh, oh-oh, oh-oh

SEDER SONGS!

Shallow (Lady Gaga)

Tell me something, God
Are you happy with this enslaved world?
Or do you need more?
Is there chumetz that you're searching for?
Salt-watering
In all the good times I find myself
Longing, for Bread
And in the bad times I fear myself.....

Tell me somethin' God
Aren't you tired tryna lose celluloid?
Or do you need more?
Ain't it hard keepin' Elijah at the door?
Salt-watering
In all the good times I find myself
Longing for Bread
And in the bad times I fear myself
I'm off the deep end
Watch as I recline in
I'll never eat marror ground
Crash on the sofa
Where they can't irk us
We're far from the seder now
In the seder
In the seder
In the seder
We're far from the seder now
Tell me somethin' God
Tell me somethin' God
Yeah, we're far from the seder
Yeah, we're far from the seder now
We're far from the seder now

Broken (LovelyTheBand)

I like that your Matza's broken like me
Maybe that makes me a slave
I like that your Matza's
holy like me
I could be holy with you

I met you late night, at a seder
Some Lubovitch, Brooklyn loft
By the bathroom, you said let's talk
But my confidence is wearing off

These are my people
These are my friends

She grabbed my face and that's when she said:

I like that you're matza's Broken like me
Maybe that makes me a slave
I like that you're holy
like me
I could be holy with you

There's something tragic, but almost pure
Think I could love you, but I'm not sure
There's something wholesome, there's something sweet
Tucked in your eyes that I'd love to meet

These are my people
These are my friends
She grabbed my face and that's when she said
I like that you're matza's
Broken like me
Maybe that makes me a fool
I like that you're holy
like me
I could be Holy with you

To "The Fresh Prince of Bel Air" Theme Song

Now this is the story all about how
My life in Egypt got flipped upside down
And I'd like to take a minute just sit back and lean
I'll tell you how I became the prince of a town
called Mizrayim

In West Alexandria born and raised
In a basket is where I spent most of my days
Chilling out, maxing, relaxing all cool
And all floating in da Nile like swimming in a pool
When a couple of Pharaoh's guys said we're
up in no good
Started making trouble in my neighborhood
There was one harsh decree and the Jews
got scared
And said you're moving down to Goshen with
Yisro & Tzipporah there

I whistled at this burning bush and when I
came near
the bush said Shalom, had I had too much
beer?
If anything I could say that this miracle was
rare
But I thought can't forget it, Yo Pharaoh's
been unfair

I pulled up to a palace about seven or eight
And I yelled to Pharaoh, yo homes smell you
later
Looked at my kingdom I was finally there
To Let My People Go; Taking da Jews to
freedom from despair

Use Somebody by Kings of Leon

Moses been roaming around, he was looking
down at all his peeps
Slave faces, wishing free places, they can't
reach
You know that I could use some parsley
You know that I could use some parsley

Some karpas like you and all you need is
saltwater and green
Countless veggies wont keep you up, you
need caffeine

**You know that I could use more parsley.
You know that I could use more parleyse
Some karpas for you!**

Off in seder night while you live it up, don't fall
asleep
Waging wars against Paroah, but Im starving
and hungry
I hope it's gonna make you notice (im
starving)
I hope it's gonna make you notice (this is too
long)

Someone needs meat, someone needs meat,
Shulchan Aruch like me, somebody

I'm ready now, I'm ready now (to eat)
I'm ready now, I'm ready now (to lean)
I'm ready now, I'm ready now (to fress)
I'm ready now (to sleep)

Some karpas will do, some parsley. Some
karpas will do, some parsley Some karpas
will do, some parsley

I've been roaming around, looking down at
the sederplate and karpas is all I see
You know that I could use some parsley
You know that I could use some parsley
