SEDER SONGS!

Flowers – Miley Cyrus

We were slaves, we pushed stones
Pesach shopping, now we need a loan
We would fight, til it's free
Built a pesach, and watched our savings burn

Mm, I did wanna leave you
I didn't wanna die
Started to cry but then remembered I

I can bake myself matzah
Grind marror by hand
No more shopping for hours
Say Hebrew you don't understand
I can make it all vegan
And we can create my own Shatzer brand
Yeah, I can overcharge better than Pesach
stores can

I can make matzah cheaper
I can make Pesach cheaper, baby
Can make matzah cheaper
I can make Pesach cheaper, baby

Made You Look - Meghan Trainor

I could have my Kittel on (Kittel on)
I could wear my new Yom Tov Apron
But even with nothin' leavoned
Bet I made you over-cook (I made you cook)
Yeah, I look good in my Pesach dress
My marror's hotter when it's raw horseradish
'Cause even when the seder's long
Bet I made you overcook (I made you cook)
Mhm-hm-hm

As it Was - Harry Styles

Holdin' me back
Haggadah is holdin' me back
Hold up the seder plate in palm of your hand
Why don't we leave it at that?
Nothin' to say,
When this Shana Aleph guy is talking all day
Seems dayneu delays
And I'm the only Son who will stay (shut), oh

In this seder, can't we skip?
You know it's not as long as it was
In this seder, it's 4 cups
You know it's not as long as it was
As it was, as it was, as it was...as it was.. as it was..Y
You know the seder is too long as it was

Anti-Hero - Taylor Swift

I have this thing where I am the Wicked but never Wise son
Midnight becomes time to eat Tzafoon
When my seder ends at the graveyard shift
Eliyahu's ghost makes everyone stand there in the room

I should not be left to think about lice
How come no rices and leaning vices
I end up in food crisis (tale as old as time)
I wind up leaning from dreaming
Of the first course I'll watch as you're leaving
'Cause you got tired of my mansplaining
(For the last time)

It's me, Hi,
I'm Eliyahu, Ha-Navi
Door opening time,
everybody likes the breeze
I'll stare directly at the 5th cup but never see you drink it
It must be exhausting always drinking solo, so anti-social

I'm Good – David Guetta, Bebe Rexha

I'm good, yeah, I'm feeling this wine
Zayde, I'ma have the best 4 cups of my life
And wherever this seder takes me, I'm down leaning right
Bubbie, don't you know I'm tipsy, Yeah, I'm feelin' alright
'Cause I'm not good, yeah, I'm feelin' the wine
Zayde, I'ma have the best night of sleep of my life
And wherever this last cup takes me, I'm shikur alright
Baby, don't you know I'm drunk, But what a Passover night!

SEDER SONGS!

Bad Habit – Steve Lacy

I wish I knew
I wish I knew, Dayenu
I wish I knew,
I wish I knew
I wish I knew ...you wanted to eat.

What you, hungry, what you do?
During Dayenu, could've made amove (to the kitchen)
If I knew I'd share with you
Is it too late to taste the soup?

I only nibbled karpas, it's a bad habit
Kinda mad that I didn't add potatoes to it
Thought veggies were too good for me, my dear
Never liked saltwater, my dear
It's okay, matzah is filling for
Reasons that I think are sure, yeah

I wish I knew, Dayenu
I wish I knew ...you wanted to eat.

Green Green Grass - George Ezra

Well, seder moved like lightning,
and the matzahs count three
Then she gives out all the lettuce
And says she's passing it to me
Now put your hands up, for charoses
And there's everyone here starving
Gonna make it out alive

Loaded up ..when the crunch comes down
Hillel's tribute for sandwich lovers
Charoset and marror spread out around
Over the chrain and matzahcovers, matzahcovers,
matzahcovers

She saidGreen Green Karpas
maroon maroon wine
Why don't I make Hillel sandwich everyday of my life?

She said, green green Karpas
maroon maroon wine
Why don't I make Hillel sandwich everyday of my life?

Got Frogs?

Stay - Kid Leroi / Justin Bieber

I do the Seder, I told you that I nebech would
I start with Kadaish, even when I knew there wasn't food
I know that I can't, find afikomen as good as you
I need crudit'e, need crudit'e, hey ey

I get drunk, 4 cups, got wine to spill
I realize, the time back in Egypt killed
I feel like, you can't feel the way slaves feel
I'll be locked up, if you can't lean right here

Oh-whoa (oh-whoa, whoa) Oh-whoa (oh-whoa, whoa)
I'll be locked up, if you can't lean right here

I do the Seder, I told you that I nebech would
I start with Kadaish, even when I knew there wasn't food
I know that I can't, find afikomen as good as you
I need hotter chrain, need hotter chrain, hey

When I'm away from food, I miss its crunch
You're the reason I believe in big lunch
It's been difficult for me without the crust
And I'm afraid that I'ma chumetz it up

Aint no way, that I can leave 4 cups stranded
Cause you aint never left bubbie empty-handed
and you know that I know that I can't do pesach without you
So baby stayyyy
oh-whoa

I do the Seder, I told you that I nebech would
I start with Kadaish, even when I knew there wasn't food
I know that I can't, find afikomen as good as you
I need crudite, need crudite, hey ay

SEDER SONGS!

Shallow (Lady Gaga)

Tell me something, God
 Are you happy with this enslaved world?
 Or do you need more?
 Is there chumetz that you're searching for?
 Salt-watering
 In all the good times I find myself
 Longing, for Bread
 And in the bad times I fear myself.....

Tell me somethin' God
 Aren't you tired tryna lose celluloid?
 Or do you need more?
 Ain't it hard keepin' Elijah at the door?
 Salt-watering
 In all the good times I find myself
 Longing for Bread
 And in the bad times I fear myself
 I'm off the deep end
 Watch as I recline in
 I'll never eat marror ground
 Crash on the sofa
 Where they can't irk us
 We're far from the seder now
 In the seder
 In the seder
 In the seder
 We're far from the seder now
 Tell me somethin' God
 Tell me somethin' God
 Yeah, we're far from the seder
 Yeah, we're far from the seder now
 We're far from the seder now

Truth Hurts - Lizzo

Why a Jew great 'til they gotta eat great?

Woo
 I just took a DNA test,
 turns out
 I'm 100% 'shknazic...
 Even when I'm Kneidel crazy

Yeah, I got groy problems,
 that's the Egypt in me
 Bling bling, then we solve 'em,
 that's the Moses in me

You coulda had a yid-kitsch
 In a kittel
 Help you with your pyramids
 just a shtickle
 You're 'posed to let us go,
 but you're holding us back
 And that's the sound
 of Moses's 10 plague attack
 Why Jew great 'til they gotta eat great?
 Just bless me, matzaballs in my face

Best friend sat me down in elijahs chair
 Ask 4 questions like Elal Security airfare
 Fresh marror with burning hot lightening
 Real mensch be hagadah reciting
 Matza Dry, needed something more
 exciting...
 Bom bom bi dom bi dum bum bay

Maroon5, Memories

Here's to 4sons that we taught
 Cheers to the sons quarantined, cause their smart
 'Cause the drinks brings back Egypt memories
 Of everything we've been through

Toast to the ones who ain't here today
 Toast to the ones quarantined on the way
 'Cause the drinks brings back Egypt memories
 And the memories bring back, memories bring back
 Shul
 There's a time that I remember, when I did not know
 no slaves

When I believed in building Egypt, and everything
 would stay the same
 Now my heart feels like a shul member, when
 somebody tone-deaf tries to lain
 'Cause I can't reach out to call shul, just to be able to
 complain, yeah
 Everybody hurts sometimes
 Everybody hurts someday, ayy ayy
 But everything gon' be alright
 Go and raise a glass and say, ayy
 Here's to 4sons that are we taught
 Cheers to the sons who ain't here, cause their smart
 'Cause the drinks bring back Egypt memories
 Of everything we've been through

Toast to the ones going solo today
 Toast to the ones quarantined on the way
 'Cause the drinks brings back Egypt memories
 And the memories bring back, memories bring back
 Shul
 Doo doo, doo doo doo doo

To "The Fresh Prince of Bel Air" Theme Song

Now this is the story all about how
 My life in Egypt got flipped upside down
 And I'd like to take a minute just sit back and
 lean
 I'll tell you how I became the prince of a town
 called Mizrayim

In West Alexandria born and raised
 In a basket is where I spent most of my days
 Chilling out, maxing, relaxing all cool
 And all floating in da Nile like swimming in a
 pool
 When a couple of Pharaoh's guys said we're
 up in no good
 Started making trouble in my neighborhood
 There was one harsh decree and the Jews got
 scared
 And said you're moving down to Goshen with
 Yisro & Tziporah there

I whistled at this burning bush and when I
 came near
 the bush said Shalom, had I had too much
 beer?
 If anything I could say that this miracle was
 rare
 But I thought can't forget it, Yo Pharaoh's been
 unfair

I pulled up to a palace about seven or eight
 And I yelled to Pharaoh, yo homes smell you
 later
 Looked at my kingdom I was finally there
 To Let My People Go; Taking da Jews to
 freedom from despair

Use Somebody by Kings of Leon

Moses been roaming around, he was looking
 down at all his peeps
 Slave faces, wishing free places, they can't
 reach
 You know that I could use some parsley
 You know that I could use some parsley

Some karpas like you and all you need is
 saltwater and green
 Countless veggies wont keep you up, you
 need caffeine
You know that I could use more parsley.
You know that I could use more parsley
Some karpas for you!

Off in seder night while you live it up, don't fall
 asleep
 Waging wars against Paroah, but Im starving
 and hungry
 I hope it's gonna make you notice (im
 starving)
 I hope it's gonna make you notice (this is too
 long)

Someone needs meat, someone needs meat,
 Shulchan Aruch like me, somebody

I'm ready now, I'm ready now (to eat)
 I'm ready now, I'm ready now (to lean)
 I'm ready now, I'm ready now (to fress)
 I'm ready now (to sleep)

Some karpas will do, some parsley. Some
 karpas will do, some parsley Some karpas will
 do, some parsley

I've been roaming around, looking down at the
 sederplate and karpas is all I see
 You know that I could use some parsley 7

Blinded by the Lights - The Weeknd

I've been tryin' to crawl
I've been searching for crumbs long enough
Maybe you can show me how to eat,
Carbfree

I'm going through bread withdrawals,
You don't even have to clean too much
You can kick this off with just kiddush,
baby

I look around and
My fridge is cold and empty (oh)
No pasta around to carb load (oh)
I can't eat clearly when you're gone

*And I said,
oooooooooh, I'm a starving Israelite
No, I can't sleep until I eat chummus
I said, ooooooh, I'm sedering tonight
Oh, when I'm like this, I dream of pizza crust
(Hey, hey, hey)*

I'm running out of time
'Cause I can see the motzei matza coming up
So I hit the seder in overdrive
baby, oh

My stomach's is cold and empty (oh)
No pasta around to carb load (oh)
I can't eat clearly when you're gone

*And I said,
oooooooooh, I'm a starving Israelite
No, I can't sleep until I eat chummus
I said, ooooooh, I'm sedering tonight
Oh, when I'm like this, I dream of pizza crust
(Hey, hey, hey)*

Sunroof - Nicky Youre, dazy

Oy, oy, veis meir, oy oy oy va voy...x2

I got my broom out the sunroof
I'm blasting the Dyson vacuum
I only got carseat vomit on my mind
You got candy stuck on the front view
Stickiness gone it feels brand new
There's still only chametz crumbs in my eyes

You got the Windex Bleach smell, you know it
You got a box of Cheerios spilled, so let me show it
Carwash is exactly what I want, kinda cool and kinda not
Wanna outsource my car to you

Yeah, we're driving down to my inlaws at night
I only hope no new messes in the backseat tonight
I'm feeling like Bedika might be my time to cry
Windex you, Windex you, Windex where are you!

I got my broom out the sunroof

MORE SONGS

To tune of "Take me out to the Ballgame"

Take me out to the Seder
Take me out to the crowd
Feed me some matzah and charoses
I'm a King now, to Egypt we're never going back
Cause it rots for Moshe Rabbeinu
Had to break the luchas what a shame!
For it's one, two, ...four cups of wine
At the ole seder plate!

1 DOWN, 3 TO GO.

Brady Bunch Theme song

Here's the story
of our great-grand Bubby and Zeide
Who were enslaved for about 210 years.
All of them were stuck in Egypt, with their Jewish brothers,
it was awfully hard work and bitter tears.

Here's their story,
Lets call it a "Seder"
Which we tell about how they finally broke free!
God sent Moshe to deal with Pharaoh,
and also to split the red sea.

Till that one day when God himself came to our rescue
And they knew it was much more than a hunch,
That this group of slaves would somehow form a nation.
That's the way we all became the Jewish Bunch.
The Jewish Bunch,

That's the way we all became the Jewish Bunch.
The Jewish Bunch.

To the Tune of Gilligan's Island

Just sit right back and you'll hear a tale,
A tale of a fateful trip,
That started when we were slaves,
on our exodus from Egypt

Moses was a mighty holy man,
Aaron brave and sure,
The Jewish Nation escaped that night,
For a three day tour, a three day tour.

The Egyptians started getting rough
The Red Sea had no bridge to cross
If not for the courage of the fearless Jew,
Our nation would be lost, our nation would be lost.

God split the sea and we came to shore to start a new lifestyle
With Miriam, and Aaron too,
Under G-d's care we did survive
Moses's lead,
The Torah and our Israel land
Here on Passover Night!!!!!!!!!!!!!!

Lady in Red

I've never seen Nile looking so bloody as it did tonight
I've never seen the Nile so bright (*O positive*)
I've never seen so many men ask you if you had a drink
They're looking for a working sink, water's all a bit pink
And I have never seen that water so flaming
Or the stench that's in the air that waters your eyes
I have been blind

The NILE in red is plaguing Egypt, creek to creek
There's no water here, it's just all bloody
It's why I want to freak
But I hardly know this Nile by my side
I'll never forget the way you look tonight

I've never seen you looking so Hemo as you did tonight
I've never seen you shine so bright, wish it was raining
I've never seen so many people want to be there by your side
And when you turned to red and fire, it took my breath away
And I have never had such a feeling
Such a feeling of complete and utter thirst, as I do tonight

The NILE in red is plaguing Egypt, creek to creek
There's no water here, it's just so bloody
It's why I want to freak
But I hardly know this Nile by my side
I'll never forget the way you look tonight
I never will forget the way you look tonight
The Nile in red, the Nile in red
The Nile in red, the Nile in red

"I'm telling you Pharaoh, my staff is an act from God!"

Happy Passover. | bangtrot.com

To the tune of Hotel California

On an Egyptian desert highway
Cool wind in our hair
Warm smell of mazohballs
Rising up through the air.
Up ahead in the distance
There's no food in the sight
My head grew heavy, and my sight grew dim
Why is this different then all other nights?
There Elijah stood in the doorway
I heard his dayanu song
And I was thinking to myself
This could be Heaven or Maagid prolonged!
Then I asked the 4 questions
The Haggadah taught me the way
There were voices for each 4 sons
I thought I heard them say:

Chorus
Welcome to our Passover Seder
Such a lovely place
Such a lovely place (background)
There's no need to race!
Plenty of room at our Passover Table
It's that time of year
It's that time of year (background)
When we can't serve Beer!

To the Theme of "Happy Days"

Dam, Tzafadaya, unhappy plagues,
Kinim, Arbah, unhappy plagues,
Dever, Schin, unhappy plagues,
Darkness comes, what a plague,
Will you finally free the Jews?!

This Passover is ours
Let My People Go. (Oh Happy Plagues)
No more slavery scars (Oh Happy Plagues)
Oh please spill some wine.

Hello Moses, goodbye slaves,
Pharoah's gonna give in, he's gotta be insane.
You finally ready to be a free man?
Don't forget your chocolate macaroon can.

This Passover is ours
Pour me some wine. (Oh Happy Plagues)
Egyptians have SARS (Oh Happy Plagues)
Oh, afikomen please be mine

Dam, Tzafadaya, unhappy plagues,
Kinim, Arbah, unhappy plagues,
Dever, Schin, unhappy plagues,
Macat Bechorot, what a plague,
Will you finally free the Jews?!

These Happy Plagues lets spill some wine (oh
Happy Plagues)
These Happy Plagues lets spill some wine (oh
Happy Plagues)
These Passover Days are yours and mine, These
Passover days are yours and mine, Happy Days

TORAH INSIGHTS

Topic	Haggadah Question	Insight / Answers
Leaving Egypt	“Egypt” is a just a location, wouldn’t it be better to focus on the actual problem like “Leaving Pharoah” or “Leaving Slavery”? Not Where	Passover is intended to be a personal liberation. Slavery and Pharoah were specific things that our forefathers escaped. The Haggadah keeps it vague to allow you to fill in your own specific struggle that you need to break free from in order for you to fully empathize. Take a second to focus on what’s holding you back and then you can fully relate (Rabbi Tzvi Blanchard)
More Speak More Praiseworthy	There are 3 places the Talmud says “the more you speak, the more praiseworthy”, Name them and their connection	1. Leaving Egypt at the Seder 2. Eulogy for a Parent 3. Defense for Someone accused of a Capital Crime The connection: A. All are situations where someone can no longer speak on their own behalf. B. They all are situations where your words can literally bring these things that are dead back to life (Mark Gerson)
Bnei Brak Up all Night Torah Story	Why does the Hagadah start to tell us a story about a bunch of rabbis staying up all night to discuss the Exodus. Why not just tell us: Stay up late and discussed?	The writers of the Haggadah needed a framework in which to “Teach”. Their method: Stories and questions. Stories have been used as a source for learning throughout history for two reasons: 1. You remember and 2. you relate to them much better. When you read or watch stories, it often produces mental imagery, evokes emotions and focuses attention, all of which are mechanisms that can increase learning and long-term retention. (Rabbi Avrom Marmorstein)
The 4 Sons	The talmud Yerushalmi has only 3 sons mentioned. The Wicked son isn’t mentioned? Why keep him?	Speak to your “All of you Children when they ask” - the rabbis knew all children means all types - that certainly includes someone not so interested or even worse: Bitter Tweens. They kept it to make a point: focus on reaching all kids (Rabbi Avrom Marmorstein)
In Every Generation	There are two places in the Hagadah that use the term “In Every Generation”. What are they? What’s their connection?	1. <i>In Every Generation: A person is obligated to regard himself as though he actually left Egypt.</i> 2. <i>In Every Generation: People will rise up to destroy us. The Connection:</i> The identical term here serves as a comfort that although although these terrible things will continue to happen, so will the idea that we can always persevere. (R’ Shaul Robinson)
The Ten Plagues	Is there any logic to the randomness of the 10 plagues?	The famous explanation is that the plagues mimic true warfare strat: by Sea (1-3) by Ground (4-6) by Sky (7 -9) and By God(10). The Maharal says that each of the 10 plague was the reversal of the 10 times God says “Let there Be...” at creation. For example: plague of Darkness reversed “Let there be light”, This gives new meaning to the arbitrary nature of each plague, and that in fact God was truly formulaic in the way in which he inflicted retribution upon the Egyptians (R Moshe Grussgott)
Dtash Adash Bachab	What is the point of this Acronym? To just remember the 10 plagues?	Rabbi Yehuda wasn’t only accustomed to giving Acronyms but also to teach a lesson. <i>Dtazch</i> means Happiness, <i>Adash</i> means Beans, <i>BAchab</i> means Brother. Alluding to the monumental Red Lentil Soup Birthright deal that Jacob bought from his brother Esav. Despite hundreds of years of slavery, after the plagues, it was suddenly all worth it. (Rabbi Alan Schwartz)
Dayaynu	There are 15 stanzas in this song. The number 15 shows up a number of times in the Hagadah. Can you name where?	There are 15 steps to the Seder. There are 15 stanzas to Dayaynu. 15 actually has a deeper significance of transition. There are 15 generations between Abraham and Solomon. From a people starting to a people establishing a king and a temple. 15 always signifies transition. The seder is intended to do just that for you personally. We say Dayaynu for all 15 steps no matter how illogical (getting to Mt. Sinai and not receiving the torah, Dayaynu?) as every step is one holistic transition (Rabbi Alan Schwartz)
